

REMARKS

The Examiner's comments together with the cited references have been carefully studied. Favorable reconsideration in view of the foregoing amendments and following remarks is respectfully requested.

Claims 1-3, 6, 9, and 11-13 are pending in the application. Claims 2, 3, 6, 9 and 11-13 are cancelled herewith to simplify prosecution. Claim 1 herewith is amended.

The drawings were objected to under 37 CFR § 1.83(a) for not showing every feature mentioned in claim 12. Claim 12 has been cancelled.

The drawings were also objected to under 37 CFR § 1.84(p)(5) because they do not include reference numerals 46 and 48 mentioned in the description. Accordingly, reference numerals 46 and 48 have been cancelled from the specification.

Claims 9, 11 and 13 were rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to point out and distinctly claim the subject matter which applicant regards as the invention. Claims 9, 11 and 13 have been cancelled.

Claims 1-2 were rejected under 35 U.S.C. § 103(a) as being unpatentable over by Weck et al. in view of Santy et al. Claim 3 was rejected under 35 U.S.C. § 103(a) as being unpatentable over by Weck et al. in view of Santy et al. and further in view of Flowers. Claim 6 was rejected under 35 U.S.C. § 103(a) as being unpatentable over by Weck et al. in view of Santy et al. and Flowers and further in view of Stallbaumer

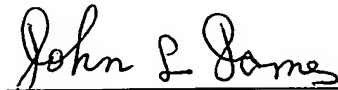

Claim 1 as currently amended incorporates the subject matter of claims 2, 3 and 6 and now requires a closed sidewall bin mounted on the base member with the handle inside the closed sidewall.

Applicants have reviewed the prior art made of record and believe that singly, or in any permissible combination, they do not render Applicants' invention as set forth in claim 1 as currently amended unpatentable.

In view of the foregoing remarks and amendments, claim 1 is now deemed allowable and such favorable action is courteously solicited.

Should the Examiner consider that additional amendments are necessary to place the application in condition for allowance, the favor is requested of a telephone call to the undersigned counsel for the purpose of discussing such amendments.

Respectfully submitted,

John L. James
